Welcome in our farmhouse of south Ardèche
where we rent two rooms and a gite in a quite hamlet
between Joyeuse and Les Vans ...

On the way between Aubenas and Alès
in Lablachère
you take the direction of Les Vans
then after five kilometers
St Genest de Beauzon,
then go through a first hamlet with church
with no roof (ruin)
and town hall then 500 meters further LE Monteil
and the last house of the hamlet and here it is.
